

PORTABLE ACRYLIC DISPLAY PEDESTAL

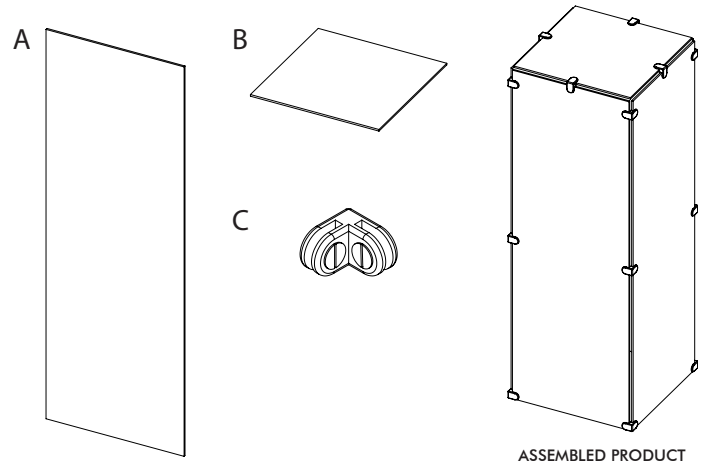

Assembly Instructions

1. IDENTIFY ALL PARTS

- A. SIDE PANEL (4)
- B. TOP PANEL (1)
- C. 2-WAY CONNECTOR (16)

*TOOLS REQUIRED:
1 FLATHEAD SCREWDRIVER (NOT INCLUDED)

shopPOPdisplays makes no claim that these assembly instructions cover all details, conditions, or variations, or that they cover all possible contingencies in connection with the assembly or installation of this product. It is the purchaser's responsibility to ensure that all components of this product are properly assembled and installed in accordance with these instructions. shopPOPdisplays assumes no obligation or liability on account of any third-party recommendations, opinions, or advice as to the assembly or installation of this product.

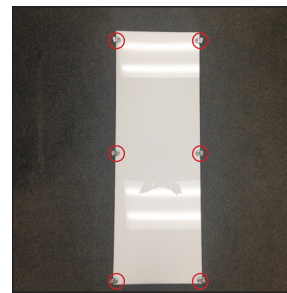

2. ATTACH 2-WAY CONNECTORS

Using a flathead screwdriver, install 6 of the 2-way connectors (C) to 1 side panel (A) until tightened

Note: Connect 2 on the top, center, and bottom

3. REPEAT

Repeat step 2

Note: After step 3 is complete, you will be left with 2 side panels (A) and 6 pieces of 2-way connectors (C) on each side panel

4. ATTACH A BLANK SIDE PANEL

Connect a blank side panel (A) to 1 of the side panels (A) that has 6 of the 2-way connectors (C) on it. Screw in until tightened

5. ATTACH A SECOND SIDE PANEL

Attach another blank side panel (A) and screw in the 2-way connectors (C) until tightened

6. ATTACH THE LAST SIDE PANEL

Connect the final side panel (A) to the rest of the assembled side panels and screw in from the inside until tightened

7. SET THE TOP PANEL & COMPLETE

Install 4 of the 2-way connectors (C) to the top panel (B) and place over the side panels (A)

Note: the 2-way connectors (C) MUST be installed on the centers of the top panel (B). After top panel is placed, the pedestal is complete. It does not need to be screwed into the side walls.
